CYRILLIC BRIDGE

Eight new letters

Б = B

Р = R

Н = N

П = P

Д = D

Ц = C

Љ = LJ

The words and sounds come first. The new shapes come second.

SUPPORTED DECODING

Read words you know

брат · brat

син · sin

породица · porodica

љубав · ljubav

њен · njen

Read Cyrillic first, then check Latin. No new meanings here.

Introduce three people

Ovo je moj / moja ____.

Then add one true sentence with **Imam** or **Nemam**.

READING

An old photo

Emi gleda staru fotografiju.
Ovo je njena mama, a ovo je njen brat Luka.
Luka je sada u Beogradu.

gleda = looks at · **stara** = old · **sada** = now

Read for meaning in Latin. The handout offers a supported Cyrillic second pass.

DISCUSSION

Talk about the reading

- What is Emi looking at?
- Who is in the photo?
- Where is Luka now?
- What old family photo would you choose?

Retell Emi's story, then connect it to a real family story.

EXIT CHECK

Try without notes

- Ask who someone is.
- Introduce three people.
- Say one true family fact.

Bravo! You can introduce your family.
